Return of note/money	21 October 2019		

Dear Parent/Guardians

This term in Geography, your daughter is studying Biomes. As an integral part of the curriculum, students will participate in a field trip around our local region to investigate a variety of biomes and ecosystems. Students will be required to make field observations and take photos related to the area of study. This field trip will form the basis of an assessment task.

All students are expected to attend the day and if any student is unable to participate in this field trip she needs to provide a note of explanation to her teacher. An alternate task will be set, and students are expected to attend school as normal.

All students must wear their Merici College uniform. Please bring sunscreen, a hat and wet weather gear as we will be walking in the open. The students should bring a camera/phone to take photos or arrange to share images with a friend and bring a clipboard, pen and pencil. The students will be required to bring their own morning tea snack, lunch and water.

Please remind your daughter that appropriate behaviour is expected at all times as she is a representative of the College.

For further information, please do not hesitate to contact us on 6243 4100.

Yours sincerely,

V. Meyers Natalie Fairfax Jennifer Medd

Vicki Meyers Natalie Fairfax Jennifer Medd
